The Secretary,

Revenue Department Govt of Bombay,

Bombay.

Sir,

I was working as Assistant Director of B.C. Welfare Dharwar. But now I have been relieved with effect from 1-10-55 as the post was abolished. On my relief I automatically revert to my parent department under rules. But so far I have not received any orders of posting. However I have received a telegram from the Backward Class Department informing me that I am treated as on leave from 1-10-55 for a month. I was also directed to submit a formal leave application which I have done. In order to ascertain what future awaits me, the Assistant Secretary Backward class Department was contacted by me on phone. He informed that I am to be taken in the B.C.Department. This is surprising as I had expressed my unwillingness to be transferred to this department in exercise of privilege given to Government servants especially Gazetted Officers as per G.R. P & S.D. No.5027/46 of 4th May 1950. The provisions of the G.R. are of imperative nature and my willingness or other wise should have been obtained by authorities before recommending my transfer to B.C.Department. It pains me very much to bring to your notice that this was not done. I have put in an honest and faithful service in the Revenue Department and I feel for this treatment. As a helpless member of a socially Backward community viz Lamani my interest deserves to be guarded.

It is not without any reason, Sir I am unwilling to be transferred to B.C.Department.

My three children are attending Convent at Hubli with Kannada as their second principal language and there is no

~~at Poona~~ such school at poona

Besides this, my presence in the Revenue department at this juncture is necessary both in the interest of Government as well as me for the following two reasons. viz.

Under your D,O,Letter No.D.P.E.R.D. 1055-E of 3-3-55 addressed to Shri. D.D.Sathe I.C.S. the Collector of Dharwar you have called for my explanation about certain remarks made by the then D.S.P. of Dharwar Shri. Deboo about my conduct in a murder case of Gabbur Village in Hubli Taluka.This explanation pertains to an investigation made by me in a murder case in my capacity as Magistrate, First Class, Hubli at the direction of Government. As a result of investigation some Police Officers and Medical Officer are involved for mishandling this case.In this connection I invite your kind attention to my letter of 19th July 1955 addressed to you under which I craved for an interview with you to enable me to bring to your notice the difficulties I have under gone. Since my investigation into this murder case, I am facing very bad time. As I am now required to refute false and ~~waulin~~ wanton charges made against me by Shri. Deboo who has taken undue interest in defending his subordinates who are responsible for mishandling a murder case. A revision petition pertaining to this muder case is still pending in the Court of Session Judge Dharwar. So in order to meet the charges made by Shri. Deboo, I honestly feel that my presence in the Revenue department is essential and more so when I am a helpless man being a member of a Backward Community viz. Lamani. These difficulties have arisen in course of performance of my legal duties and as such I crave for protection at your hands.

My other grievance pertains to the defamation case I have filed as directed by Government in Revenue Department under their letter No. O/20101-E of 16-6-54 the copy of which is enclosed hereiwth for your persual. This case is now pending in the court of Judicial Magistrate, first class, Hubli. I am required to examine a number of witnesses on my behalf to prove the case. Certain documents from the Secretariat are required to be produced. So I honestly believe that my absence from the Revenue

department will surely affect the proceedings of this case landing me in serious difficulties affecting my future career.

Under the circumstance I pray that I may not be transferred to B.C. Department as I have already exercised my privilege given to Government servants under the G.R. P & S D No.5027/46 of 4th May 1950.

Yours Faithfully.

We have appointed Shri R.G.Gupte as Asstt.Dir. in charge of land matters at the Head Office of the B.C.Deptt. as a provisiona measure till the 31st Octr.1955. The intention was that with effect from the 1st Novr.1955, Shri L.R.Naik(at present on leave) should take over this charge and relieve Shri Gupte.

2. Shri Naik has represented that he may not be taken up in the B.C.Deptt. He has quoted G.R.,P.& S.D.,No.5027/76 of the 4th May 1950 in support of his representation. His contention is that he cannot be transferred to the B.C.Deptt. against his consent. His other contention is that it would facilitate ~~the~~ quick disposal of Departmental proceedings in which he is involved if he remains in the R.D. in the Karnatak Circle.

3. Shri Naik's contention at 'A' does not hold water. The post of Asstt.Dir. in charge of land matters in the B.C.Deptt. forms part of the cadre of Dy.Collrs. Govt. is fully competent to transfer a Dy.Collr. from one post to another post in the same cadre. The question of consent does not at all arise. It was for this reason that no consent of Shri Naik was taken when he was posted as Asstt.Dir. in the B.C.Deptt. a year back. He is being merely continued in that post. The P.& S.D. G.R. does not apply in his case and if he wanted to protest against his posting in the B.C.Deptt. he should have done so a year back when he was

first posted as Asstt.Dir. It is now too late for him to do so.

4. With regard to the desirability of posting Shri Naik in Karnatak for facilating Departmental enquiry, attention is invited to the concluding portion of the Collr. of Dharwar's letter at p.9/c. The Collr. is of the view that it is not absolutely necy. for Shri Naik to remain at Dharwar though it would be convenient ~~a~~ if he is near at hand. This question was again discussed on 'phone by the Jt.Secy. with the Collr. The Collr. is of the opinion that it is not necy. for Shri Naik to remain in the Karnatak Circle for the purposes of the enquiry.

5. Shri Naik seems to be very unwilling to work in the B.C.Deptt. It is, therefore, for consideration whether he should be taken up in the B.C.Deptt. If he is to be posted in the B.C.Deptt., he may perhaps be given a further leave of one month and posted as Asstt.D.B.C.W. with effect from the 1st Decr.1955. It is necy. to inform the P.S.C. of this posting. The Commn. has already agreed to the continuance of Shri Gupte till Shri Naik becomes available, they are not, therefore, likely to protest. The accompanying draft G.L. ~~is~~ are for approval.

Shri Gupte is urgently required elsewhere and it is not possible to let him continue there for another month. Shri Naik may be asked to join at once.

Office of the Collector,
DHARWAR: 16th September, 1955.

Dear Rajwade,

Reference: Your D.O.Letter No.JS-J
dated 16th August 1955.

My predecessor had received an application from a person in Hubli Taluka stating that four persons entered his house at night by making a man-hole in a wall of his house and stabbed his wife on her chest, that he lodged a complaint about this with the P.S.I. Hubli, but the Police did not make proper investigation into the matter, that he took his wife to the Hubli hospital but the medical officer did not admit her as indoor patient and that his wife died about one month after on account of the serious wound caused to her and requesting that proper enquiry should be made and the offenders should be punished. This application was sent to the Assistant Collector and S.D.M. Dharwar Division for enquiry. He sent it to the Mamlatdar and M.F.C. Hubli for enquiry - Shri L.R.Naik was then the Mamlatdar of Hubli. He made detailed enquiry into the matter by recording the statements of all persons concerned and submitted a report that the allegations made in the application were true, that offences of house breaking and culpable homicide not amounting to murder were committed by the four persons complained against by the applicant, that the Police (2 P.S.Is. and one Head Constable of Hubli) did not make proper investigation into the matter and thus neglected in the discharge of their duties by reporting the case for A-summary and that the medical officer of Hubli also committed a mistake in not admitting the applicant's wife as indoor patient. My predecessor referred this report to the Public Prosecutor for opinion in consultation with the Inspector of C.I.D.

After consulting the Inspector, the Public Prosecutor opined that there was a case against the four accused as reported by Shri Naik. Shri Rebello, there-upon, directed the Public Prosecutor to draft a complaint against the four accused and get it lodged by the Mamlatdar of Hubli in the Court of the Judicial Magistrate, Hubli. Accordingly Shri Chandawarkar, the then Mamlatdar of Hubli lodged the complaint (Shri Naik had in the meantime been transferred as Prant Officer Savanur Division). A similar application had also been made to Government which was sent to the Collector and District Magistrate for enquiry and report. Shri Rebello, therefore, reported the facts of the case to Government whereupon Government issued orders for the suspension of the Police Officers and Medical Officer concerned. Subsequently, the case was heard by the judicial magistrate who discharged the accused. The Public Prosecutor is of the opinion that the Magistrate was wrong in discharging the accused by weighing the evidence as it was a committal case and with the permission of the District Magistrate has filed a Revision application in the Court of the Sessions Judge, Dharwar. This application is still pending in the said Court.

After the discharge of the accused Shri Deboo, the then District Superintendent of Police, Dharwar, completed the departmental enquiry against one Police Sub-Inspector and the Head Constable (the 2nd P.S.I. died in the meantime) and passed an order exonerating the P.S.I. and repremanding the Head Constable and reinstating them.

In this order Shri Deboo has passed some strictures against Shri Naik that he went out of his way in collecting false evidence in this case and had unnecessarily brought the Police Officers into trouble by concocting evidence. Shri Deboo brought these strictures to the notice of Government who have asked me to obtain the explanation of Shri Naik and submit it with my remarks; Accordingly, Shri Naik was asked to give his explanation. He has recently sent a letter giving the above facts of the case and has requested that he may be

permitted to give his final explanation after the revision application filed in the Sessions Court is disposed of. He expects and with good reason that the revision application will succeed and the case will be sent back for retrial. If the case is sent for retrial, Shri Naik will have to give evidence in that case being a formal witness in it as he has made enquiry into it. He is, therefore, anxious to remain near Dharwar till this whole matter is finally decided.

In my opinion it is not absolutely necessary for him to remain in Dharwar though it will be convenient if he is near about.

[illegible] of the Collector
DHARWAR: 16th September,

Dear Shri Rajawade,

Reference: Your D.O.Letter No.JS-3
dated 16th August 1955.

My predecessor had received an application from a person in Hubli Taluk stating that four persons entered his house at night by making a man-hole in a wall of his house and stabbed his wife on her chest, that he lodged a complaint about this with the P.S.I. Hubli, but the Police did not make proper investigation into the matter, that he took his wife to the Hubli hospital but the medical officer did not admit her as indoor patient and that his wife died about one month after on account of the serious wound caused to her and requesting that proper enquiry should be made and the offenders should be punished. This application was sent to the Assistant Collector and S.D.M. Dharwar Division for enquiry. He sent it to the Mamlatdar and M.P.C. Hubli for enquiry - Shri L.R.Naik was then the Mamlatdar of Hubli. He made detailed enquiry into the matter by recording the statements of all persons concerned and submitted a report that the allegations made in the application were true, that offences of house breaking and culpable homicide not amounting to murder were committed by the four persons complained against by the applicant, that the police (2 P.S.Is. and one Head Constable of Hubli) did not make proper investigation into the matter and thus neglected in the discharge of their duties by reporting the case for A-summary and that the medical officer of Hubli also committed a mistake in not admitting the applicant's wife as indoor patient. My predecessor referred this report to the Public Prosecutor for opinion in consultation with the Inspector of C.I.D.

opined that there was a case against the four accused as reported by Shri Naik. Shri Rebello, there-upon, directed the Public Prosecutor to draft a complaint against the four accused and get it lodged by the Mamlatdar of Hubli in the Court of the Judicial Magistrate, Hubli. Accordingly Shri Chandawarkar, the then Mamlatdar of Hubli lodged the complaint (Shri Naik had in the meantime been transferred as Prant Officer Savanur Division). A similar application had also been made to Government which was sent to the Collector and District Magistrate for enquiry and report. Shri Rebello, therefore, reported the facts of the case to Government whereupon Government issued orders for the suspension of the Police Officers and Medical Officer concerned. Subsequently, the case was heard by the judicial magistrate who discharged the accused. The Public Prosecutor is of the opinion that the Magistrate was wrong in discharging the accused by weighing the evidence as it was a committal case and with the permission of the District Magistrate has filed a Revision application in the Court of the Sessions Judge, Dharwar. This application is still pending in the said Court.

The Secretary,

Revenue Department Govt of Bombay,

Bombay.

Sir,

I was working as Assistant Director of B.C. Welfare Dharwar. But now I have been relieved with effect from 1-10-55 as the post was abolished. On my relief I automatically revert to my parent department under rules. But so for I have not received any orders of posting. However I have received a telegram from the Backward Class Department informing me that I am treated as on leave from 1-10-55 for a month. I was also directed to submit a formal leave application which I have done. In order to ascertain what future awaits me the Assistant Secretary Backward Class Department was contacted by me on phone. He informed that I am to be taken in the B.C.Department. This is surprising as I had expressed my unwillingness to be transferred to this department exercise of privilege given to Government servants especially Gazetted Officers as per G.R. P & S.E. No.5027/46 of 4th May 1950. The provisions of the G.R. are of imperative nature and my willingness or other-wise should have been obtained by authorities before recommending my transfer to B.C.Department. It pains me very much to bring to your notice that this was not done. I have put in an honest and faithful service in the Revenue Department and I feel for this treatment. As a helpless member of a socially Backward community viz Lamani my interest deserves to be guarded.

It is not without any reason, Sir I am unwilling to be transferred to B.C.Department.

My three children are attending Convent at Hubli with Kannada as their second principal language and there is no

at Poona.

Besides this my presence in the Revenue department at this juncture is necessary both in the interest of Government as well as me for the following two reasons, viz.

Under your D.O.Letter No.D.T.E.R.D. 1055-E of 8-3-55 addressed to Shri. D.D.Sathe I.C.S. the Collector of Dharwar you have called for my explanation about certain remarks made by the then D.S.P. of Dharwar Shri. Deboo about my conduct in a murder case of Gabbur Village in Hubli Taluka. This explanation pertains to an investigation made by me in a murder case in my capacity as Magistrate, First Class, Hubli at the direction of Government. As a result of investigation some Police Officers and Medical Officer are involved for mishandling this case. In this connection I invite your kind attention to my letter of 19th July 1955 addressed to you under which I craved for an interview with you to enable me to bring to your notice the difficulties I have under gone. Since my investigation into this murder case, I am facing very bad time. As I am now required to refute false and wanton charges made against me by Shri. Deboo who has taken undue interest in defending his subordinates who are responsible for mishandling a murder case. A revision petition pertaining to this muder case is still pending in the Court of Session Judge Dharwar. So in order to meet the charges made by Shri. Deboo, I honestly feel that my presence in the Revenue department is essential and more so when I am a helpless man being a member of a Backward Community viz. Lamani. These difficultie have arisen in course of performance of my legal duties and as such I crave for protection at your hands.

My other grievance pertains to the defavation case I have filed as directed by Government in Revenue Department under their letter No. O/20101-E of 16-6-54 the copy of which is enclosed hereiwth for your persual. This case is now pending in the court of Judicial Magistrate, first class, Hubli. I am required to examine a number of witnesses on my behalf to prove the case. Certain documents from the Secretariat are required to be produced. So I honestly belive that my absence from the Revenue

department will surely effect the proceedings of this case landing me in serious difficulties affecting my future career.

Under the circumstance I pray that I may not be transf - erred to B.C. Department as I have already exercised my privilege given to Government servants under the G.R. P & S D No.5027/46 of 4th May 1950.

Yours Faithfully.

Respected Sir,

Referance your D.O. letter No.BCE.255/49159-E dated 18- 10- 55.

When I last saw you at Bombay you were kind enough to hear my grievances and assured me that you would consider them favourably. In this connection I beg to invite your kind attention to the representation I have made to the Secretary to Government in Revenue Department,Bombay wherein I have detailed my grievances seeking Government protection. The copy of this representation has already been submitted to you for your kind persual and necessary action. From the representation made by me it is evident that my reversion to Revenue Department is necessary in the interest of Government also and with that aim in view I humbly quoted the G.R.P and S.D. No 5027/46 of 4-5-50,so that my request can be considered favourably by you. I respectfully state that according to the provisions of the G.R. in question ,willingness of the Government servants belonging to one department is necessary for their appointment by transfer to any other department and that is why Mamlatdars were recently asked whether they were willing to be transferred to the Backward Class Department to work as Backward Class Welfare Officers.Similarly officers of the Co-operative department were asked about their willingness to serve as Deputy Dircetors in Backward Class Department.So,I feel that my case may not be exception.In view of my grievances I earnestly request you to revert me to Revenue Department for which act of kindness I will ever remain greatful to you.

Yours Faithfully.

2. It is for orders whether the leave asked for by Shri L.R. Naik A.D.B.C.W, D.C., Dharwar should be granted.—

RNR
13/5/1955

In view of the reasons given by Shri Naik at p 3/c, the leave applied for may be granted

2 Shri Naik applied for leave on 22.4.55. The DBCW forwarded the application on 10.5.55. Had the Dir forwarded the application immediately, it might have been possible to post Shri Konjalgi in Shri Naik's place. Will the R.D. kindly state whether Shri Konjalgi has since resumed duty and whether it would be possible to post him as Asst. Dir in Shri Naik's place

A/

14-5-55

AS, RD (Shri Sawant)

After the relieving of his leave, Shri Konjalgi has been posted as Head Clerk grade I and by now he might have joined his new appointment. According to his seniority as per list of 17 mamlatdars fit for promotion as Dy Collrs he has reverted. As above would not be feasible

The posts of Asst. Dirs are likely to be abolished by the end of next month. Will it be possible for the R.D. to give a suitable substitute in case leave is to be given to Shri Naik?

14/5/55

As the post would last for less than 1½ months, it would not be commonly possible further Govt. to spare a suitable officer in place of Shri N. for so short a period. The E.D may may consider granting leave to Shri N after the post is abolished. As he has waited so long, he can wait for some time more

A copy of Shri Naik's ~~clarification~~ application submitted through the D.B.C.W. was received in this Department. I have spoken to the Joint Secretary and the M(B.C.D.) about Shri Naik's posting, and telegraphic instructions asking him to join duties as A.D.B.C.W.Dharwar from 16th Sept.1955 have already been issued by the D.B.C.W.

2. Shri Naik has not yet been reverted to the R.D. It was therefore very objectionable on his part to have addressed the Secretary, direct R.D. in the matter. His explanation ~~may~~ in the matter may perhaps be called for. The accompanying draft letter may issue.

Re submitted.

2 The A.G. has since certified that leave as follows is admissible to Shri L.R. Naik for the period from 1-10-51 to 15-11-51:

1-10-51 to 16-10-51 — Earned leave for 16 days.

17-10-51 to 15-11-51 — Half pay leave.

3 Before, however, a notification indicating the nature of leave as above is issued, attention

forwarding Shri Naik's representation.

Shri Naik have requested that as he never intended to proceed on leave from 1-10-55 nor had he applied for any such leave, his absence from 1-10-55 to 15-11-5 may be treated as on duty.

2. It is true that Shri Naik was required to remain on leave by Govt pendi decision on his representation for reversion to R.D. Shri Naik is however mainly responsib for the forced leave as instead of taking up his appointment at Poona he put forth representations for remaining in Dharwar for a court case and for reversion to the R.D. Instead of asking Shri Naik to join immediately Govt. allowed him to remain on leave till the question of his reversion to R.D. was decided. There is not much force in Shri Naik's claim for treating the leave period as duty.

For orders.

A.S.-I

The facts relating to Shri Naik's case are that in July 1955, Govt. decided

to appoint him as Asstt.Dir. in charge of land matters in the office of the DBCW. Shri Naik, however, represented that as certain criminal cases in which he was involved were going on at Dharwar, it was necy. that he should not be away from Dharwar for some time and that, therefore, he may not be taken up as Asstt. Dir. The Collr. of Dharwar was, therefore, addressed in the matter. The Collr. reported on the 16th Septr. 1955 that it was not absolutely necy. for Shri Naik to remain in Dharwar tho' it would be convenient if he was near about.

2. The reorganisation of B.C.Deptt. was brought into force from the 1st Octr. 1955. Ordinarily on the 1st Octr.1955 Shri Naik should have assumed charge of the post of A.D.(Lands). As, however, the criminal cases were going on, Govt. decided to give him one month's further period. He could not be posted as P.O. for one month and then brought back as A.D. He was, therefore, asked to apply for one month's leave. Shri Naik continued to represent for his reversion to R.D. He was, therefore, ultimately asked to join duty as A.D. on the 16th Novr.1955 which he did.

3. It will be seen that it was a fact that Shri Naik was asked by Govt.to proceed on leave from the 1st Octr.1955. This was, however, done in his own interests with a view to facilitate early disposal of the criminal cases. As Govt.'s action in asking him to proceed on leave on the 1st Octr.1955 was in

justified in requesting that this leave period be treated as duty.

On the contrary it could also be ~~agreed~~ argued that it was not necy. to ask him to proceed on leave. He could have been appointed as P.O. in Dharwar and could have been brought over as A.D. in Dir.'s office on the 16th Novr.1955. Such short-term arrangements are not, however, made in the interests of administration.

4. As Shri Naik was asked to proceed on leave on the 1st Octr.1955 in his own interests, his request that the leave period should count as duty may not be agreed to. For orders.

3-2-56.

Sir,

From the Govt. letter quoted above, it appears my posting as Asstt. Director at Poona is ordered because I was anxious to join duty. It is submitted that I was anxious to join duty, as Prant Officer, in Southern Division so that I may be able to attend to the defamation case filed by me under direction of Government in the Court of Judicial Magistrate, 1st Class, Hubli and to look to other matters mentioned in my representation conveniently. I had also pointed out humbly that this is necessary even in the interest of Government. I was also anxious to join duty because if I remain on leave as directed by Govt. twice, I would be hard-hit financially, as no leave was due to me.

Under these circumstances, I again request Govt. to post me as Prant Officer, some where in or near Dharwar District to enable me to attend to the defamation case and other matters, only for a period of four months. I will assure you Sir, that I ~~would~~ join as Asstt. Director, Backward Class Welfare, at Poona after this period. Kindly reply.

The Secretary, to Government,

Backward Classes Department,
Sachivalaya, Bombay-1.

Sir,

I relinquished my duties as Assistant Director of Backward Class Welfare, Dharwar Circle, Dharwar, on 30-9-1955 A.N. as this post was abolished. I then waited for order of my posting. Instead I received a wire on 8-10-1955 from you stating that I was treated as on leave for a month from 1-10-1955. I was also directed to submit formal application for leave which I have done. I then waited for orders of posting. But I was telegraphically informed that my leave was extended by one month. This time I was not directed to put in any application for extension of leave.

In this connection I would like to bring to your kind notice that I never intended to proceed on leave from 1-10-1955 nor I have put in any such request as I had already enjoyed my leave for 3½ months.

I rejoined my duties as ~~A~~Assistant Director, Backward Class Welfare on 15-11-1955 as directed by you. I, therefore, request you to treat this whole period of 1½ months from 1-10-1955 to 15-11-1955 as on duty. If this period is treated as leave I will be put to financial loss, as no leave is due to me. Moreover, as I have not put in more than three years of service as Grant Officer this period if treated as leave will not earn any increment for me.

Yours faithfully,

(L. R. NAIK)

The Joint Secretary to Government,
Rehabilitation, Housing and Backward Classes
Department, Bombay.

Sir,

Kindly refer to my application dated 16-12-55, for treating my leave period from 1-10-1955 to 15-11-1955, as duty period. In this connection I am sorry to know that this period has been notified as leave under Government political and Services Department (Rehabilitation, Housing and Backward Classes Department), Bombay, Notification No. BCE-1255-E, dated 19.12.1955. If this is treated as a reply to my letter quoted above, I will be put to loss financially, and this period of leave will not earn any increment for me. I, therefore, request you to treat this whole period as duty.

In this connection I had a discussion with your Assistant Secretary, Shri Jeel at Nasik. He asked me whether it was not a fact that I had received an intimation from Government to the effect that either I should proceed on leave or join duty at poona from 1-10-55. I have told him that no such intimation was received by me except that I was treated on leave from 1-10-1955.

Yours faithfully,

(A. R. Nasik)
